

P.M. TECHNOLOGIES LLC.

MANUFACTURING THE FUTURE

COMPANY BIO

PM Technologies LLC is an advanced manufacturing and engineering service company founded by Philip Morton in 2019 and is based in El Paso, TX. PM Technologies has undertaken and executed a number of projects that leverage design expertise and advanced manufacturing technologies.

DIFFERENTIATORS

PM Technologies LLC leadership has over 10 years experience working with additive manufacturing technologies. We leverage 3D printing technology to increase the frequency of design-build-test cycles to simultaneously optimize and develop products. Moreover, deep knowledge of additive manufacturing processes helps our customers understand the pros/cons of new manufacturing technologies and when it makes business sense to implement new production processes.

CORE COMPETENCIES

- Additive manufacturing (3D Printing)
- Low volume manufacturing
- Prototype fabrication
- Jig, fixture, and tooling design and fabrication
- Design for manufacturing (Conventional and additive)
- Additive manufacturing Training
- Additive Manufacturing Process Development
